

July 15, 2011

Dear Tony,

Your professionalism & caring are outstanding. Little did we know when Henri recommended you, as agent, that we were getting "the cream of the crop." And just think of the opportunity you experienced, working with an entire family. With your diligence, Prosperity must follow.

Enclosed is a token of our appreciation for you & a guest... can't imagine who will be sharing the evening with you.

Thank you,
Dore - Marie
