Dear Michael,

We want to thank you for the excellent service given to us during the sale of our building in Fontana CA. as well as finding our new building in Montclair CA.

Your commitment and dedication in finding of such property was very important for us to relocate our business on time for all our purposes. We appreciated your kindness and patience to guide us all the way through the end of the transaction, supported with the confidence to count on your expertise in the marketplace.

Thank you very much,

Sincerely,

Adali A. Guerra
